Mission Statement

Dear Friends,

Aishel Shabbat was founded in November 2002 in response to a growing need that sadly still exists today — **helping Jewish families who struggle to put food on the table for Shabbat.**

Every day, we hear from families who are doing their best but simply can't keep up. Financial hardship comes in many forms: job loss, illness, disability, divorce, and other difficult circumstances that affect even the strongest among us.

Each Wednesday, our dedicated volunteers prepare food packages filled with approximately \$130-\$200 worth of essentials, depending on family size. Every box includes chicken, challot, grape juice, fruits, vegetables, milk, eggs, cake, and pantry staples. By purchasing wholesale and thanks to generous food donations from suppliers and partner organizations, our actual weekly cost is about \$50-\$80 per family.

If we paid retail and salaries, our annual budget would exceed \$3,000,000. **Instead, because every single person involved is a volunteer and our Brooklyn warehouse space is fully sponsored, our yearly budget is approximately \$600,000 — with 100% of donations going directly to food.** To the families we serve, the value is truly priceless.

On Thursday evenings, volunteer drivers deliver these heavy, overflowing boxes to homes where they are received with deep gratitude — always in a discreet and dignified manner.

We see our supporters as true partners in this meaningful mitzvah, and we invite you to join us. With Hashem's help and your generosity, we can continue bringing relief, dignity, and Shabbat joy to these special families.

Please join us at our Gala Chinese Auction on March 14 at Kol Yaakov. We look forward to sharing this special evening with you.

Tizku L'Mitzvot,

Aishel Shabbat

Letter of Endorsement

FROM RABBI CHAIM KANIEVSKY, Z"TL

A HOLY CALL

To the dear contributors of the community, this letter is an attribution to the holy organization Aishel Shabbat which cares for the benefit of needy families each week. They insure that the families will not lack in their enjoyment of the Shabbat, by distributing to them bountiful food packages for all the Shabbat meals, and more. All this is done in a respectful manner, without any embarrassment on the part of the recipients.

The entire staff of this great organization is working voluntarily for the sake of Hashem without taking any compensation so that all donations given go solely to tzedaka.

As of late, more and more families have been added to the list of recipients. We are therefore asking of you to come forward and assist this worthy cause and donate to them as appropriate for an organization which feeds over 250 families weekly. It is well known from the words of Chazal that "A person does not lose out from the tzedaka which he gives," as well as "Shabbat is the source of all blessing," and "Hashem returns any expenses for the sake of Shabbat."

We are therefore blessing all the contributors and helpers of this organization from the source of all blessing. Their lives should be filled with all good and they should be blessed with wealth, health, happiness and long lives. Amen!

Signed by:

Rabbi Chaim Kanievsky, Z"TL
